1 I. Purpose and Objectives of the National Conference of Constituency Leaders (NCCL)

2
3 A. Purpose

4
5 The National Conference of Constituency Leaders (NCCL), first held in 1990 as the
6 National Conference of Women, BIPOC (Black, Indigenous, People of Color) and New
7 Physicians (NCWMNP), is a vehicle to more effectively integrate the perspectives and
8 concerns of AAFP members from underrepresented constituencies, to the benefit of an
9 increasingly diverse membership and patient population. The NCCL is designed to
10 focus on, and give impetus to, the perspectives and special concerns of grassroots
11 members from the constituency groups.

12
13 B. Objectives

- 14
15 1. To provide an opportunity for Board-approved member constituencies [currently
16 Women; BIPOC; New Physicians; International Medical Graduates (IMG); and
17 LGBTQ+ physicians] and other emerging constituencies to become more familiar with
18 AAFP programs, exchange information, share experiences, develop basic leadership
19 skills, and to encourage participation in the AAFP governance structure at both the
20 local and national levels.
- 21
22 2. To provide a forum whereby the Board of Directors may be better informed as to the
23 concerns of the constituency groups and discuss with them priorities for AAFP
24 activities.
- 25
26 3. To provide an opportunity for these groups to identify issues of particular concern to
27 family physicians and to make specific recommendations by way of resolutions to the
28 AAFP's Board of Directors and Congress of Delegates.
- 29
30 4. To allow the New Physicians constituency to elect a nominee for the New Physician
31 Member of the Board of Directors.
- 32
33 5. To allow the New Physicians constituency to elect two Alternate Delegates, in
34 accordance with the AAFP Bylaws, who serve one year in that capacity before
35 succeeding to the position of Delegate in the following Congress of Delegates.
- 36
37 6. To allow all New Physicians present (no matter which constituency they are in
38 attendance to represent) to elect two Delegates to the American Medical Association's
39 Young Physicians Section (AMA-YPS).
- 40
41 7. To allow the Women; BIPOC; IMG; and LGBTQ+ constituencies to elect six Member
42 Constituency Alternate Delegates, in accordance with the AAFP Bylaws, who serve
43 one year in that capacity before succeeding to the position of Delegate in the following
44 Congress. The constituency Delegates and Alternate Delegates represent the views of
45 the grassroots constituency members in the debate and decisions of the Congress of
46 Delegates.

47

- a. Any member of the AAFP may register for and attend the conference as a General Registrant. Chapters may specify an active member to be a Chapter Delegate for each of the Board-approved constituencies.
- b. The member constituencies are defined as follows for the purposes of the conference:
 - i. *Women* physicians are those who self-identify as women.
 - ii. *BIPOC* physicians are defined as they are by the U.S. Census Bureau: African American, Asian, Native Hawaiian or other Pacific Islander, American Indian, Alaska Native, ethnic Latino, Other.
 - iii. *New Physicians* are those who completed residency or extended training immediately following residency seven years ago or less. Individuals who graduate from a residency program but who enter a fellowship continue in the resident member status until completion of their fellowship, whereupon they become active members. For those individuals, the seven-year time period for purpose of New Physician Board member eligibility would not begin upon graduation from their residency program, but rather they would have seven years after completion of their fellowship.
 - iv. *IMGs* are graduates from a medical school outside of the United States, Canada and Puerto Rico.
 - v. *LGBTQ+* physicians are those who self-identify as LGBTQ+ or who are supportive of LGBTQ+ issues.
- c. Chapter Delegates
 - i. Chapter Delegates must be members in the Active AAFP membership classification only. Chapter Delegates are designated by chapters for each of the Board-approved member constituency groups. They must meet the definition of the constituency group they represent, and their member classification must be Active the first day of the conference with dues paid in full or be enrolled in the installment payment plan to be eligible to serve. Chapter Delegates may serve on Reference or Tellers Committees, submit resolutions, testify in all reference committee hearings, testify and vote on resolutions in the business sessions, and vote in the Co-Convener, Alternate Delegate, and/or Delegate elections.
 - ii. Chapters may seek out individuals to send from their jurisdiction or they may take requests for consideration from interested individuals. Co-Conveners may come as a Chapter Delegate for their chapter but are only eligible to come for the constituency that they have been elected to represent.
 - iii. A Chapter Delegate may be replaced on site by a General Registrant from the same chapter if the General Registrant meets the criteria for that constituency. A request for such a substitution must come from both the General Registrant and Chapter Executive directly to the NCCL Conference Strategist. At the time of substitution, voting privileges will be revoked from the original member and given to the replacement.
 - iv. A Chapter Delegate may change the constituency they have been named to represent only if the Chapter Delegate meets the definition of the constituency

109 group they wish to represent, and the chapter does not already have a
110 representative for the constituency group he/she wishes to represent. A
111 request for such a change must come from the Chapter Executive directly to
112 the NCCL Conference Manager and must occur prior to the first business
113 session of NCCL. At the time of change, all voting privileges are, then,
114 restricted to the member constituency group the Chapter Delegate represents
115 until the close of NCCL.

116
117 d. General Registrants

- 118
119 i. General Registrants may contribute to the discussions, run for office if they are
120 an AAFP member in the Active membership category and meet the definitions
121 and requirements, volunteer for the Reference or Tellers Committees, co-
122 sponsor resolutions (if endorsed by at least two Chapter Delegates), and testify
123 on policy issues during any of the NCCL reference committees and business
124 sessions. They may not vote on policy issues, make motions or propose
125 amendments during the NCCL business session, or vote in any AAFP
126 Delegate, Alternate Delegate, or Co-Convener elections. If qualified, they will
127 be allowed to vote in the AMA-YPS Delegate election.
128
- 129 ii. General Registrants, in the Active membership category only, will be allowed to
130 fill open constituency slots for their chapter as long as they meet the definition
131 of the constituency group they intend to represent and have dues paid in full or
132 are enrolled in the installment payment plan. A request must come from the
133 Chapter Executive directly to the NCCL Conference Manager. General
134 Registrants will only be allowed to fill open constituency slots for the chapter in
135 which they are members in good standing.
136
- 137 iii. Members in the Supporting, Inactive, Life, Transitional, Resident, and Student
138 membership classifications may not come as a Chapter Delegate; however,
139 these members are encouraged to attend as General Registrants to the
140 conference. They may contribute to the discussions, co-sponsor resolutions (if
141 endorsed by at least two Chapter Delegates) and testify on policy issues during
142 any of the NCCL reference committees and business session. They may not
143 vote in any elections or serve on the Tellers Committee; however, they may
144 volunteer as an observer for a reference committee.
145

- 146 B. A majority (one more than half) of the total registered Chapter Delegates shall constitute a
147 quorum at any business session of the NCCL.
148
- 149 C. The most current edition of The American Institute of Parliamentarians, *The Standard*
150 *Code of Parliamentary Procedure* shall govern all proceedings of the NCCL, except when
151 in conflict with the AAFP Bylaws or specific provisions of these Rules of Order.
152
- 153 D. The NCCL Convener will serve as Chair and shall preside over the business sessions with
154 assistance at their discretion.
155
- 156 E. Reference committees shall be appointed by the NCCL Convener to facilitate the work of
157 the NCCL. Whenever possible, the NCCL will follow the same protocols as the AAFP
158 Congress of Delegates. Reference committee hearings will be staggered, to be scheduled
159 on such days and at such times to be determined by the NCCL Convener. Reference
160 committees will operate according to the document on "Powers and Duties of Reference
161 Committees."
162

- 163 F. Resolutions must be presented in writing by the published deadline. To be considered for
164 introduction to a reference committee, submitted resolutions must be endorsed by at least
165 two NCCL Chapter Delegates.
166

167 A maximum of 50 resolutions will be accepted for consideration. Each constituency may
168 submit up to 10 resolutions. The determination of which constituency submitted the
169 resolution will be based on the constituency represented by the chapter delegate serving
170 as the resolution's primary author.
171

172 Upon submission, the NCCL Conference Manager will determine the ultimate designation
173 of which reference committee will act on a resolution. This determination will consider (a)
174 the relevance of the issue to the various topics, (b) the possible grouping of like issues for
175 consideration, and (c) the relative workload for each of the reference committees. Each
176 resolution will be referred to only one reference committee.
177

178 It is the discretion of the business session to determine the relevance of the reference
179 committee recommendation for referral destination; however, the CMMS has ultimate
180 approval of any referrals to the Congress of Delegates. If the CMMS determines, based on a
181 pre-determined criterion set forth in the supplemental document, Powers and Duties of
182 Reference Committees, that a referral does not belong with the Congress of Delegates, it
183 will, instead, refer the resolution to the Board of Directors.
184

- 185 G. Any resolution not previously discussed in a reference committee must be typed or legibly
186 printed and presented to the NCCL Convener no later than 6:00 p.m. on the evening prior
187 to the start of the first business session. The Late Resolutions Committee (comprised of
188 the NCCL Convener and Reference Committee Chairs) will then review such resolutions.
189 It is within the discretion of this committee to recommend whether the business session
190 should consider the introduction, based on whether it contains timely, pertinent, and new
191 information.
192

193 Prior to the start of the business session's scheduled agenda, the recommendation of the
194 Late Resolutions Committee will be announced. Two-thirds (2/3) of the registered Chapter
195 Delegates present must vote in favor of allowing the late resolution for it to be introduced
196 and considered. Once a resolution is accepted by the NCCL, it "belongs" to the conference
197 which then has the authority to wordsmith the language, when appropriate, for better
198 understanding.
199

200 Late resolutions shall be considered in the order received, except that the NCCL Convener
201 reserves the right to determine the order of business based on the importance of the
202 issues and the amount of time available for discussion.
203

- 204 H. All conference registrants may have the privilege of the floor and engage in debate after
205 being recognized by the Chair.
206
- 207 I. No one shall speak more than once on any issue or separate motion until all who wish to
208 speak have been heard. No one shall speak more than twice without permission of the
209 Chair or by majority vote of the NCCL.
210
- 211 J. Debate on a single issue shall be limited to two minutes per speaker and no more than 15
212 minutes overall, except by permission of the Chair or by majority vote of the NCCL,
213 provided both sides have been represented on the debate.
214
- 215 K. All Chapter Delegates may vote on policy issues and in elections during the business
216 sessions.
217

- 218 L. Amending motions on the floor of the NCCL is limited to first order amendments only.
219
220 M. Passage of a motion during the business sessions requires a majority vote (one more than
221 half of the total registered Chapter Delegates) except for motions which require greater
222 than a majority as specified in *The Standard Code of Parliamentary Procedure*, current
223 edition. All motions require a second. The Chair may conduct a headcount at any time
224 during the business sessions to verify the number of Chapter Delegates present. If there is
225 not a majority present, all voting must be suspended until a later time or subsequent
226 meeting.
227
228 N. Voting shall be by voice, “yes” and “no”, except where the NCCL Convener or a Chapter
229 Delegate calls for a division, in which case a standing, hand, written, or electronic vote
230 shall be taken.
231
232 O. There are various opportunities for volunteer leadership at the NCCL. These opportunities
233 allow participation in reference committees, the Tellers Committee, and as
234 Parliamentarian. Appointments for these volunteer positions will be solicited via an NCCL
235 volunteer service application form. Appointments for these positions will be made by the
236 NCCL Convener and announced on site at the NCCL.
237
238 P. Rules of Order and Parliamentary Procedure.
239
240 1. The Rules of Order shall govern all parliamentary proceedings of the NCCL except
241 when in conflict with the AAFP Bylaws. The NCCL Convener is responsible for
242 enforcement of parliamentary procedure according to the Rules of Order. Further
243 interpretation of these procedures, as necessary, will be made by the NCCL Convener,
244 utilizing the most current edition of The American Institute of Parliamentarians, *The*
245 *Standard Code of Parliamentary Procedure*.
246
247 2. Recommendations to amend the Rules of Order may be proposed by the NCCL and
248 submitted to the Board Chair or Board of Directors for their approval.
249

250 III. Rules of Election
251

- 252 A. A Tellers Committee will be comprised of one member from each constituency appointed
253 by the NCCL Convener. This group oversees all elections, works with staff to collect
254 ballots, tallies votes, and relays results to the constituency Caucus or Business Session
255 Chair, and may be called upon during the business sessions to assist with any hand or
256 written votes. Members of the Tellers Committee must not be running for any office during
257 the conference.
258
259 B. AAFP Bylaws authorize the seating of two Delegates and two Alternate Delegates at the
260 AAFP Congress of Delegates from the New Physicians constituency (with no sunset date)
261 and six Delegates and six Alternate Delegates from the remaining four Member
262 Constituencies (with a sunset date of 2025). Each constituency, except for New
263 Physicians will elect two Co-Conveners for the following year’s conference. These
264 individuals will also become candidates for the elections of six constituency Alternate
265 Delegates (or Delegates, if necessary) the following day.
266

267 AAFP Bylaws authorize the election of one candidate for the New Physician Director on
268 the Board of Directors for a one-year term. The candidate must then be approved by the
269 Congress of Delegates to be seated on the Board of Directors.

 - c. In the event open slots need to be filled (due to election of higher office, etc.):
 - i. If openings occur between the time of the NCCL and the time the Congress of Delegates meets, nominations will be solicited from the Commission on Membership and Member Services.  - ii. If open slots occur between the time of the Congress of Delegates and the time the NCCL meets, the slots will be filled by election at the subsequent NCCL. 450 candidacy for AMA-YPS Delegate. Candidates must notify the NCCL Conference
451 Manager of intent to run by the deadline set forth in the NCCL *Election Procedures*
452 in order to qualify and be placed on the ballot.
453
- 454 d. The AAFP Board of Directors will be notified of those persons elected to Delegate
455 positions for ratification.
456
- 457 e. If an AMA-YPS vacancy occurs between the time of the NCCL and the time that
458 the next AMA meeting is held, nominations to fill the vacancy will be solicited from
459 the Commission on Membership and Member Services. These names will be
460 submitted to the Board Chair, who will designate the successor.
461

462 F. Election Guidelines.

- 463
- 464 1. Election procedures at the conference parallel those used by the AAFP Congress of
465 Delegates set forth in the Bylaws. The specific procedures outlined here will be used in
466 conducting elections for the NCCL Convener, Member Constituency Co-Conveners,
467 Delegates and Alternate Delegates, and for the New Physician nominee for the Board
468 of Directors.
469
- 470 ~~2.~~ Printed campaign materials (brochures, buttons, etc.) beyond the standard information
471 prepared by NCCL staff are strictly prohibited. Candidates may utilize personal social
472 media accounts for the purpose of campaigning prior to and during NCCL.
473
- 474 3. Deadlines for acquiring and submitting constituency Co-Convener and Alternate
475 Delegate ballots will be provided to each participant on site.
476
